

COMMENDING DAVE LOEST

Whereas, Dave Loest provided the Running Springs Water District with more than 31 years of superior service and retired on July 6, 2015; and

Whereas, Dave has shown commitment and dedication to the District and Fire Department preserving services to the public; and

Whereas, Dave has been a leader in the Fire Department to create a District that functions at the highest and most efficient level possible; and

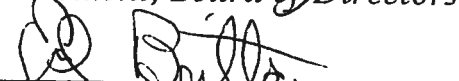

Whereas, the Fire Department was enhanced as Dave was involved in several key projects that include but are not limited to the following: Dave has thirty-one years as a valued member of the firefighting family of Running Springs Fire Department; Dave's dedication to the Fire Department over the years has helped us maintain and accomplish many of the reoccurring projects the public has come to depend on; Dave has been the lead and was very instrumental in our yearly hydrant inspections; In addition, Dave was the lead in commercial and residential building inspections for the District for many years; Dave also provided maintenance to our Self-Contained Breathing Apparatus saving the District money in providing this service; Dave has been a module leader and supervisor for the Department dealing with a multitude of different types of emergency situations during his career.

Now, Therefore Be It Resolved that the Board of Directors of the Running Springs Water District commend Dave Loest for his commitment and professionalism to the District and express appreciation for his dedication with the highest moral and ethical standards and for his service to the people served by the Running Springs Fire Department, further, the members of the Board join family, friends and colleagues in extending sincere good wishes for a long happy and fulfilling retirement.
