As owner of the above-named property, I request that the Running Springs Water District disconnect the water meter and terminate service. The fixed monthly water/sewer service charges stops only when the meter has been disconnected. I understand that the current reconnect fee of \$150.00 is to be paid upon reconnection of the water meter. In addition, upon reconnection, the WPCP loans and Water/Sewer Infrastructure charges must be paid for the months that the meter was disconnected.
